The reservation cut-off date is December 21, 2006.

Agenda items to be addressed by the Standing Committees are assigned Reference Key numbers as follows:

Committee	Reference Key
Board of Directors	100 series
Laws and Regulations	200 series
Specifications and Tolerances	300 series
Professional Development Committee	400 series
National Type Evaluation Program Committee	500 series

The subject matter listed on each Standing Committee's agenda will be open for discussion as noted. Each committee may also take up routine or miscellaneous items brought to its attention after the preparation of this document. At its discretion, each committee may decide to accept items for discussion that are not listed in this document.

The agendas:

1. Include items brought to the attention of the Standing Committees prior to the submission deadline of November 1, 2006, and approved for inclusion in their agendas by the Committees, and
2. Serve as the basis for the Standing Committee Interim Reports (to be printed in the Program and Committee Reports of the National Conference on Weights and Measures 92nd Annual Meeting, NCWM Publication 16). The final reports of the committees will be published in the NIST Special Publication Report of the 92nd Annual Meeting of the NCWM, following the Annual Meeting in 2007, scheduled for July 8 - 12 at the Snowbird Resort, Salt Lake City, Utah.

The Committees have not determined whether the items presented will be voting or informational in nature; these determinations will result from their deliberations at the Interim Meeting.

Special Meetings

Several Annual Committees and other organizations are conducting meetings concurrently with the Standing Committees of the Conference.

Joint Meetings for All Committees

A joint meeting for all committees will be held on Wednesday, January 24, 2007. Each Standing Committee will highlight the major decisions made during the week, and the Nominating Committee will present its report.

Participation

Sunday meetings are scheduled for Committee members to review their agendas (see the particular committee agenda for details). Although the sessions are open to all delegates, participation in discussions during agenda reviews is normally limited to Committee members. Comments and input are welcome when specific topics are scheduled in the Committee agendas.

All sessions of NCWM meetings are normally open to members of the Conference. If a Committee chairman recognizes a special situation involving a proprietary issue (e.g., NTEP appeals) or sensitive issue or other substantive need, that portion of the session dealing with the special issue may be closed, provided that: (1) the Conference chairman (or in his absence the chairman-elect) approves, and (2) announcement of the closed meeting is posted on or near the door to the meeting session and on the announcement board at the registration desk. If at all possible, the posting will be done at least a day prior to the planned closed session. Please note that the one-day notice will not always be possible if a closed meeting is called on Sunday. Since Sunday is a day for agenda reviews and participants may make their travel reservations in order to observe these agenda reviews, if a closed meeting becomes necessary on Sunday, every effort will be made to limit such a meeting to only part of the day.

In some instances, proposals are quoted in the Committee agendas; they may appear in inch-pound units only.
